

Stylist Prayer

Father, in the name of Jesus I thank you for your great love and for the many blessings in my life, my family, and my career. I will not rely on my own strength to build and grow my beauty business, but I will depend on you who helps those who call on your name. I confess that I will run my business using the example you have set for us and to treat all of my clients with patience, kindness, understanding, and compassion. I commit to not seeking my own way but to seek you first in all things. I honor and delight in the relationships created through my business and I thank you Lord that through you all these things were made possible. I will believe the best in others and give forgiveness readily and freely because you God in Christ have forgiven me. Lord, I thank you for the opportunities to help encourage others while I am working and I pray that I do not miss opportunities to be salt and light. I will commit to honesty and integrity in my life and in my business. I pray that you will reveal areas in my walk with you that need attention and change. I surrender my business to you and ask that you give me wisdom in becoming the stylist that you want me to be. I know that you have a wonderful plan for me and I will put my faith and trust in you.

In Jesus Name, Amen
